Welcome Letter

Dear Students,

As Director of the MA in English at ASU’s New College, I welcome you to the Master of Arts in English program at Arizona State University’s New College of Interdisciplinary Arts and Sciences, located on ASU’s West campus! I’m Dr. Annika Mann, and I will serve as your primary advisor throughout your studies with us at New College. This handbook provides important resources for you as a graduate student at ASU, including financial resources and policies for graduate students, information about our curriculum and our English faculty members, as well as your options for degree completion and the procedures for that completion.

You likely have many questions about your MA program and what makes it unique among the English MA programs at ASU. In brief, the Master of Arts in English program at New College is a comprehensive program that addresses the many facets of English: its literatures; its linguistic, social, and cultural histories; and its capacities for persuasion, education, and radical critique. Students in the program have the opportunity to work closely with research faculty specializing in British, US, African-American, Latinx, and Indigenous literatures, as well as critical theory, rhetoric and composition, linguistics, and creative writing. The program’s innovative curriculum, which can be completed in one or two years and which culminates in a student-driven capstone project, has been developed to train present and future educators, those interested in pursuing doctoral work, as well as individuals pursuing careers in the wide variety of professions that value advanced critical thinking, research, and communication skills: from journalism and publishing to business communication, web content and social media management, educational and nonprofit consulting, public relations, and many more.

We are very lucky to be housed on the beautiful West campus of ASU. If you have not yet visited our campus, I invite you to view this short video tour. You will find that it is easy to navigate between classroom buildings, faculty offices, the library and dining options, all just steps away. Students also appreciate the generous parking options adjacent to your classrooms. The lush landscaping and serene atmosphere are often compared to those of elite liberal arts colleges around the world. Your enrollment at ASU also includes access to our state-of-the-art Sun Devil Fitness Complex located on the campus within easy walking distance to your classrooms and the library.

While we will meet, at a minimum, once per semester, you may certainly consult with me more often, particularly about how the program is meeting your own career goals. Prior to the fall semester, we will have an orientation meeting at which I provide additional resources to help you begin the process of earning your MA and introduce you to your cohort of fellow graduate students. In the meantime, if you have questions related to the program or registration, please contact me (Annika.Mann@asu) or the academic success coordinator, Tina Hughes, at ncgradadvising@asu.edu.

Sincerely,
Dr. Annika Mann

Admissions

Admission to the MA program is only offered for the Fall Semester. The program has a priority review date of February 1st of each year; however, applications will continue to be reviewed throughout the Spring and Summer terms. Please refer to the Graduate Degree Search website for up to date admission deadlines and application requirements.

Application Materials

Click here for the MA Program Application information.

Within the application, you will indicate your intention to enroll in the program as part-time (less than 9 credit hours per semester) or full-time (9 or more credit hours per semester). Upon admission to the program, the staff advisor will discuss part-time or full-time enrollment options with each newly admitted student and make a note in the iPOS for course sequence purposes.

Tuition Costs and Financial Aid

Tuition

Tuition is set by ASU and the Arizona Board of Regents every year. You can see the general tuition and fees chart by clicking here, or calculate your specific tuition costs by visiting ASU's tuition calculator. Through the Western Regional Graduate Program, out-of-state residents from participating states may be eligible to pay only in-state tuition rates.

Financial Aid

Financial aid is available through several different sources:

1) The Graduate College Fellowship (GCF) is a need-based award to support new and continuing masters and doctoral students with financial need as determined by information taken from the FAFSA. The GCF is intended to support in recruitment and retention of outstanding graduate students at Arizona State University. Students may receive this award for a maximum of four semesters throughout their degree study. Students must be nominated by their academic unit.

2) MA ENG Scholarship: Depending on program funds, a small number of $500.00 merit scholarships for students enrolling full-time (minimum 9 English graduate credit hours per semester) in the English MA program may be available from the School of Humanities, Arts, and Cultural Studies. Applicants are automatically considered for this scholarship and do not need to apply for it. Students who receive the scholarships are notified before the beginning of their first fall semester.
3) **Course Assistant Positions in General Studies**: These positions involve assisting faculty who teach NEW 194: Global Transformations which is the first of three, one-credit courses required in a new thematic General Studies program that is being piloted at the West campus. The CA duties will be completed both in person and remotely, including meetings with the faculty as needed. CAs will be appointed to assist in NEW 194 which is a C session, 15-week course. Responsibilities will include, but are not limited to, grading assignments, facilitating discussions, and answering student questions. The positions are competitive and carry a stipend, without additional benefits.

4) **Traditional Financial Aid** (Loans & Grants): For information on general financial aid products, please visit [ASU's Financial Aid office](https://students.asu.edu/financialaid)

**Advising**

**Faculty Advising**

The Program Director will advise students throughout the degree, and will communicate with all students at least once per semester to discuss their progress and to help with any concerns as they may arise. The Program Director will also communicate with students about opportunities for professional development, which occur regularly throughout the academic year. Whenever students have concerns over anything relating to their progress toward the M.A., they should contact the Program Director. (Annika.Mann@asu.edu) to arrange an appointment.

**Staff Advising**

The New College Graduate Staff Advisor, also known as the Academic Success Coordinator, provides general advising designed to direct the student to courses and faculty who could best meet their academic and professional interests. The Graduate Staff Advisor is available to assist students in the development and completion of the Interactive Plan of Study (iPOS). For Graduate Staff Advisor questions call 602-543-3000 or email NCGradAdvising@asu.edu. To schedule an appointment go to [https://advising.newcollege.asu.edu](https://advising.newcollege.asu.edu).

**Academic Requirements**

A. There are two required courses that students must achieve a grade of B- or better to complete the program:

1. **ENG 502 Contemporary Critical Theories**: This course introduces students to graduate-level study of key figures, movements, controversies, and paradigms within 20th- and 21st-century literary theory.

2. **ENG 582 Pedagogy**: This course offers a graduate-level overview of diverse theories of English instruction, including composition/rhetoric, linguistics and literary, with emphasis upon development and implementation for high school-
and community college-level instructors. Program Electives

B. Students are required to take:

**ENG 500 Research Methods:** This course provides students an introduction to graduate studies in English by offering instruction in research tools and methodology.

**ENG 591 Seminar:** This course guides students through preparation for their capstone projects.

C. Students are required to take 9 credit hours of electives. The MA faculty have put together a sequence of courses to provide students with both depth and breadth across the discipline. It is strongly recommended that students follow the prescribed sequence of courses consisting of 30 credit hours. Students who wish to take ENG courses offered by faculty outside of New College, or courses with a non-ENG prefix, must first receive approval from the Program Director.

D. **Culminating Experience: ENG 597 Graduate Capstone Seminar.** This course guides students through the completion of their capstone projects. The capstone is the integrating project completed at the end of the program of study. The capstone will most often take the form of a traditional research paper or applied project in literary scholarship, composition or rhetorical studies, or linguistics. Students prepare and submit a capstone project proposal in ENG 591, the term before beginning the project. The proposal, which must be approved by the Program Director, outlines the nature of the project and the work’s original contribution to the relevant fields of scholarship.

**Approval for Credit Taken Outside the program**

Before taking courses outside the program please confer with your program director to determine if the course is appropriate for inclusion on your iPOS. This will involve sharing the following with the director:

- a brief description of why the course is relevant to your iPOS
- the course prefix and number
- the course title
- the course catalog description

In instances where this information is not substantial enough to make a determination regarding the course, you may be asked to solicit and provide a sample syllabus from the course. Once the director has approved the course you may enroll and include it on your iPOS.

**Plan of Study**
The Interactive Plan of Study (iPOS) functions as an agreement between the student, the academic unit and the Graduate College. The iPOS contains certain requirements such as coursework, a committee and a culminating experience which must be included before it can be approved.

To facilitate program completion and shorten time to complete the program, graduate students are encouraged to complete their iPOS in their first semester. Students who have not completed their iPOS by the time they have enrolled for 50 percent of the minimum credit hours required for their degree program will receive a registration hold. No student will be allowed to register for the culminating experience without an approved and up-to-date iPOS on file.

Your iPOS will be reviewed by faculty and staff to ensure that it meets the Academic Requirements as outlined on pages 6 and 7 of this handbook.

All courses that appear on your iPOS are applied toward your MA degree and are ineligible to be applied toward a future graduate degree. As such, we recommend listing only the 30 credits required for the MA degree on your iPOS.

**Graduation Checklist**

After you have successfully registered for ENG 597, please review the following information to ensure a successful and smooth graduation process.

- Apply for graduation through your My ASU account online.

- Review dates and deadlines established by ASU Graduate College. Discuss these dates with your committee to determine dates to submit drafts and a date to submit the final project.

- Complete the capstone according to the recommendations, suggestions, and revisions provided by the capstone course instructor. In consultation with your advisor and graduate committee members ready capstone for public presentation.

- When your final project is approved by your capstone instructor:
  
  (i) The capstone instructor will input a letter grade for your ENG 597 course.
  
  (ii) Please submit an electronic copy of your capstone project, including a 100 word abstract, to the Academic Success Coordinator at NCGGradAdvising@asu.edu. If the student consents to including his or her finished product in the New College Graduate Library, the student should state this in the email when the document is submitted.
Satisfactory Academic Progress Policy

As a graduate student it is your responsibility to be aware not only of your program’s requirements, but also policies set in place by the Graduate College. Students are required to be aware of and understand the current ASU Graduate Policies and Procedures, the New College of Interdisciplinary Arts & Sciences Satisfactory Academic Progress Policy, as well as any policies outlined in this manual.

In addition to requirements outlined in New College Satisfactory Academic Progress Policies students must achieve a grade of “B-” or higher in all required courses that appear on the approved Plan of Study (required courses are listed in the ASU Academic Catalog). A student who receives a C or lower in a core course in their program must repeat the course in a regularly scheduled (not an individualized instruction) class. Although only the “B-” or higher can be included on the iPOS GPA, both grades will be used to compute the Cumulative GPA and the Overall Graduate GPA.

Required English Courses: ENG 500, ENG 502, ENG 582, ENG 591

Student Code of Conduct

All students are expected to adhere to the Arizona Board of Regents Student Code of Conduct and university policies and procedures:
https://eoss.asu.edu/dos/srr/codeofconduct

Students are expected to regularly check their ASU email accounts for messages from the university and New College. Students also are expected to regularly check their My ASU priority tasks for messages and holds from the university. Students are responsible for managing their tuition payments, finances and tracking university academic calendar deadlines.

Academic Integrity

The highest standards of academic integrity and compliance with the university’s Student Code of Conduct are expected of all graduate students in academic coursework and research activities. The failure of any graduate student to uphold these standards may result in serious consequences including suspension or expulsion from the university and/or other sanctions as specified in the academic integrity policies of individual colleges as well as the university.

Funding for Travel

We encourage our students to present research at national and international academic conferences. As such a number of options exist for funding travel to these events.
1. MA program funding. The MA program makes limited funding available (maximum of $300 per year) please review your program advising website for more information.

2. ASU Graduate College Travel Grants. ASU’s Division of Graduate College makes a limited number of travel grants available to students presenting at conferences. These grants typically cover airfare from Phoenix to the conference location. This award has four application deadlines per year and must be applied for well in advance of the travel date. Applications must be submitted to the director of the graduate program. See https://graduate.asu.edu/current-students/funding-opportunities/awards-and-fellowships/travel-awards for more information and deadlines.

3. Graduate and Professional Student Association (GPSA) Travel Grants. ASU’s graduate student association offers a variety of travel awards available. Individual travel awards (to conferences) are up to $950 and have a monthly application deadline. Group travel grants are for teams of student researchers presenting a symposium or other group project. Interview travel grants are need-based grants made available to students who require funds in order to travel to an academic interview (e.g., at a PhD program). Details and application materials can be found at http://gpsa.asu.edu/funding.

*What can you count as elective courses?*

**What counts:**
- Regularly scheduled 500-level ENG courses taught by New College MA program faculty

**What needs to be approved (in advance) by both your advisor & the graduate program director:**
- 500-level courses taught by faculty outside of the New College program (e.g., courses in other colleges)
- Courses transferred in from other universities

**What does not count:**
- 595 credits
- 100, 200, or 300-level courses

### General Guidelines

- You must enroll as a full-time or part-time graduate student and follow the recommended course sequence accordingly
- You may only apply 9 credits from 500-level ENG or non-ENG courses offered by various other academic units (e.g., courses in other colleges) toward your degree including transfer credits
- You must maintain a 3.0 GPA to progress in the program and graduate
- You must be enrolled in at least one credit during the semester in which you plan to graduate
- You must submit an approved iPOS before or during your first semester in the program.
