### General Guidelines

- You may apply only 6 credits of 400-level work toward the master’s degree
- A maximum 3 hours of JHR 580 may count toward the MA degree
- JHR 580 may not count toward any track requirement. This course is reserved for elective credit only
- A maximum of 6 combined credit hours of JHR 580, JHR 590, JHR 592 toward the MA degree
- A maximum of 6 credit hours of JHR 584 may count toward the MA degree (see track requirements in handbook for details)
- You must meet all GPA and grade requirements outlined in the New College Satisfactory Academic Progress Policy
- You must be enrolled in at least one credit that appears on your iPOS or one credit of JHR 595 continuing registration each Fall/Spring semester
- All coursework must be approved by your advisor and formalized in the iPOS. Mere enrollment in a course does not entitle you to count it toward a graduate degree

---

*What can you count as elective courses?*

**What counts:**
- Regularly scheduled 500-level JHR courses
- Elective courses listed in the JHR Program Handbook for each track

**What needs to be approved (in advance) by both your advisor & the graduate program director:**
- Individualized JHR courses (e.g., 580, 584, 590, 592)
- 400-level courses in any discipline
- Courses transferred in from other universities

**What does not count:**
- 585 or 595 credits
- 100, 200, or 300-level courses
