A world of possibilities

IBM in collaboration with Arizona State University present

IBM CYBER DAY 4 GIRLS

Exclusively for 6th - 8th grade girls interested in exploring cybersecurity and STEM education. Learn how to protect your online identity, understand the Internet of Things, plus meet role models already studying and working in cybersecurity. Register now for a free, fun day of learning, games, and giveaways.

Wednesday March 4, 2020
ASU West campus • 4701 West Thunderbird Rd

Register now
