What counts as an elective course?		Gene	eral Guidelines	
 What counts: Regularly scheduled 500-level PSY courses taught by MS program faculty What needs to be approved (in advance) by both the student's faculty advisor & the graduate program director: Individualized PSY courses (e.g., 580, 590) 500-level PSY courses taught by non-program faculty (e.g., courses in other colleges) Any non-PSY course 400-level courses in any discipline Courses transferred in from other universities What does not count: 593, 595, or 599 credit 100, 200, or 300-level courses 	 Faculty approval required for: up to 6 credits from non-program faculty may apply toward the degree (including transfer credits). All coursework in the interactive Plan of Study (iPOS). Mere enrollment in a course does not entitle a student to count it toward a graduate degree. Academic progress: Students are required to meet <u>New College Satisfactory Academic Progress Standards</u> and maintain continuous enrollment as defined by the <u>ASU Graduate College Policy Manual</u>. The culminating experience is completed in a student's final year of study. To be eligible for registration consult the program handbook. For information regarding the minimum passing grade for the 593 or 599 culminating experience, please go to <u>New College Satisfactory Academic Progress Standards</u>. 			
ast updated 5/23/2024		Policies: - Core courses can never be transferred from other universities. - All work toward a master's degree must be completed within six consecutive years. For more information review the ASU Graduate College Policy Manual.
