Conference Volunteering/Student Awards

- Amount: **Varies**
- Requirements:
  - Varies depending on conference
- Deadline(s):
  - Varies
- Other:
  - Many conferences (particularly larger conferences) allow students to volunteer to offset some of the cost of registration. Volunteering at conferences has numerous benefits in addition to helping offset the cost of registration, such as networking and becoming more involved with the given organization/society.
  - Additionally, some conferences offer awards to graduate students (some of which require volunteering) to offset the cost of registration.
    - For example, IARR offers a student award which covers half of the registration cost. You must be a current IARR student member to apply for the grant, and you will be expected to volunteer for 1-2 hours before or during the conference.
- Website:
  - Please refer to individual conference websites for more information. Many conferences are detailed in our Conference spreadsheet at the following link: https://docs.google.com/spreadsheets/d/1TacnxK9L1pvxfRLqKtb_h7QrDll9QhQGSzXaD7aaOlw/edit#gid=0

Conferenc Poster Printing

MS Psychology Program Funding
- Amount: **Free up to 2 posters**
- Requirements/Eligibility:
  - This funding is available to all students in the MS Psychology program
  - Visit the SAM Lab to complete a "Wide-Format/Poster Print Request" form. The form can also be accessed (here), however, you will need to **submit the form in person** in the SAM Lab.
- Deadline:
  - **When you submit your completed form, a SAM Lab consultant will help you schedule a print job appointment.** Your appointment should be at least 1 full business day prior to when you will need your printed poster in hand. It is strongly recommended that you email the PDF version of your finalized poster to the SAM Lab (samlabasu.com) at least 12 hours prior to your appointment. You may also, however, bring your print request (saved as a PDF) to your print appointment on a USB key.
  - **During your scheduled print appointment, a SAM Lab Consultant will meet with you in FAB B16 (located next to the main SAM Lab space) to show you what your print job will look like on a large computer screen.** Appointments will be 30 minutes long, but you may find that significantly less time is needed. With your final approval, **the consultant will start (or queue) your print job.**
  - **You can pick up your completed print job within 1 business day of your print appointment.** In light of this, it is essential that you schedule your print appointment so that it is a minimum of 1 business day *prior* to when you will need the poster print in hand.
