General Guidelines			
<ul style="list-style-type: none"> <li>- Generally, courses should be 500-level or above. Two related 400-level courses may be approved.</li> <li>- Any course that is not listed on this advising check sheet must be approved by the Program Director prior to count towards your iPOS and program.</li> <li>- Not all core, foundation, and elective courses will be offered every semester. Please ensure you follow your cohorts recommended sequence.</li> <li>- The Interactive Program of Study (iPOS) must be filed when you have registered for or completed 50% of your coursework.</li> <li>- You must maintain a 3.0 GPA in your iPOS Coursework, Graduate Coursework GPA, and Cumulative Graduate GPA.</li> <li>- PSY 513 Fundamentals of Quantitative Research is required to be completed prior to PSY 500.</li> <li>- PSY 553 must be taken in your last semester of study. You must receive a "B" (3.0) in the course to graduate. A "B-" or lower will not count.</li> <li>- All coursework must be completed within 6 years of the first course that appears on your iPOS.</li> <li>- Preadmission requests will be reviewed on a case by case basis and limited to no more than 6 credit hours.               <ul style="list-style-type: none"> <li>• Required core courses and required foundation courses must be taken in the program and cannot be waived.</li> </ul> </li> <li>- Students are limited to a maximum of six credit hours of electives <i>outside</i> of the program electives offered.</li> </ul>
