General Guidelines			
<ul style="list-style-type: none"> - Generally, courses should be 500-level or above. Two related 400-level courses may be approved. - Any course that is not listed on this advising check sheet must be approved prior to counting it on your iPOS. - We recommend that you take core courses when they are offered. - Not all elective courses will be offered every semester. - The Interactive Program of Study (iPOS) must be filed when you have registered for or completed 50% of your coursework. - You must maintain a 3.0 GPA in your iPOS Coursework, Graduate Coursework GPA, and Cumulative Graduate GPA. - PSY 590 must be taken in your last semester of study. You must receive a "B" (3.0) in the course to graduate. A "B-" or lower will not count. - All coursework must be completed within 6 years of the first course that appears on your iPOS. - Any course not listed on this advising check sheet must be approved by the Program Director to count toward the program. - Courses completed at another institution may not be included in the Online Psychology program.
