

ASU West's 1st Annual STEM DAY

*Science *Technology *Engineering *Math

Friday February 24, 2017
8:30 a.m. - 3:15 p.m.

ASU's West campus invites all interested students to learn and explore science, technology, engineering and math (STEM) with professionals in the field. Learn about careers, majors, have lunch with faculty, and research opportunities in the STEM fields.

Activities will include:

- Resource Fair
- Major and career planning
- Student and faculty panel
- Class lectures
- Campus and lab tours
- Speakers on STEM topics
- **FREE LUNCH!**
